ARTICLE 23
DEPARTMENT SENIORITY

- Section 1. Definition: Seniority, as defined in this Article means the total length of continuous employment within the Fire Department. For purpose of lay-off, the person with the least seniority shall be the first person laid off. If more than one person was hired on the same date, seniority shall be determined by chance draw of the cards, with Social Security numbers used to rank those members for the draw of cards. The total social security number is used with the lowest number considered first. Each person shall draw his own card for seniority. In the event the person cannot be there, an alternate shall be appointed to draw for him by the officer conducting the draw. Seniority draw shall be conducted on or before graduation from the Fire Academy. Once a position has been established, that position shall be held thereafter. Recall after lay-off shall be by seniority. Date of hire shall determine seniority for those members previously assigned to Communications Department and/or Traffic Engineering/Signal Department.
- Section 2. Seniority List: The City will furnish an updated department-wide seniority list by rank showing the name, date of employment and length of service, to be posted on a bulletin board in the Fire Department, and to be given to the union annually each November.
- Section 3. Probationary Employee Defined: All new employees shall be considered probationary employees for a minimum of twelve (12) months from the date they are sworn in and until completion of all probationary training requirements. Probationary employees shall be excluded from all terms and conditions of this Agreement for the first six (6) months of employment, unless otherwise provided by State Law.
- Section 4. Termination of Seniority: An employee shall be considered terminated and his seniority broken when he: (a) quits, or (b) is discharged for just cause.

- Members working an 8 hour schedule shall be entitled to three (3) 8 hour personal days off.

ARTICLE 27
STATION BID

- Section 1. Definition: Station bid as defined in this Article shall mean that non-ranking combat Firefighters shall have the right to bid for the station that they would most like to serve. Department seniority shall prevail in bidding for job openings within the Combat Division.
- Section 2. Procedures: The Fire Chief or his designated representative shall record all bids and observe the engine houses as they fill to ensure shift equality. Once the bids have been completed, those jobs shall be held until a job opening occurs.

Section 3. The city recognizes the following positions available in the Combat Division for the bid and bump system:

- 3 bid positions per engine
- 2 bid positions per ladder truck
- 2 bid position per rescue unit

Section 4. Hereafter are listed the rules governing Station Bids:

1. Station jobs up for bid shall be filled by the applicant with the highest seniority.
2. The posting will name the assignment and the date of the bid posting and closing. Bids will remain open eighteen (18) calendar days.
3. Each Fire Fighter may successfully bid on one (1) job per year, but after having successfully bid, shall remain for one (1) year in that job or until a posted position closes after eighteen (18) days without anyone bidding on it at which time persons in this category would be eligible to bid.
4. Unsuccessful bids or assignments will not be counted against the member's number of bids per calendar year.
5. A Fire Fighter may bid on more than one job, but not more than two (2) jobs simultaneously.
6. After two (2) unsuccessful bid postings, the position may be filled by the Fire Chief using any Fire Fighter on that shift who is not holding a permanent bid position. The position will be placed on an available position list and can be bid upon at any time.
7. Bid positions and available positions will be posted on all Fire Department bulletin boards for eighteen (18) calendar days. Persons to accept bids will be the Fire Chief, or his designate, in the Fire Department Office. Firefighters must bid for jobs on forms from the District Chief, in person, by signature, and will receive a receipt to show that he has placed a bid. The Fire Fighter will retain the original and the person issuing the receipt will forward the copy along with the bid, at the time the bid closes, to the Fire Chief or his designate. A Fire Fighter may remove his name from the bid by appearing in person to the District Chief during working hours, with his receipt, during the eighteen (18) calendar days while the bid is still open.

8. Temporary job openings are defined as those resulting from an on-duty sickness or injury that will have a duration of not more than one (1) year. These temporary job openings may be filled at the Fire Chief's discretion, from the engine house of his choice, by seniority. The more senior member of that house shall have the right to refuse temporary openings, thus causing the qualified junior Fire Fighter to be the assignee.
9. If the temporary job opening becomes terminated because of death, retirement, voluntary quit or end of time limit, that job shall be posted for bid in the manner described previously.
10. Jobs successfully bid will be filled within twenty (20) days.
11. A Fire Fighter shall not be eligible to exercise seniority bid for preferred job openings, in the Combat Division, until completion of three (3) years of service.
12. Job openings shall be either posted for bid or removed from contention within fourteen (14) days from vacancies.
13. Temporary assignments shall not be used to avoid the bid system.
14. In the event it becomes necessary to balance shift staffing, the Fire Fighter with the least seniority not holding a permanent bid spot will be moved, unless a more senior Fire Fighter volunteers to move.
15. Nothing in this Agreement shall prevent management from creating new job classifications or extending or decreasing existing job classifications provided each new job classification is posted for bid in accordance with the bidding procedures described herein.

ARTICLE 28
BUMP SYSTEM

Section 1. In the event it becomes necessary to close an engine house, put a manned piece of apparatus out of service, a member is removed, or voluntarily resigns their position rank, those unit members affected shall be afforded the right to exercise their seniority and bump into existing jobs providing they meet the job specifications. Those persons displaced by being bumped shall then exercise their seniority rights for jobs in like manner. No assignment held by Union's Executive Board members shall be subject to the bump system. Those persons displaced by being bumped shall then exercise their seniority rights for jobs. Failure to exercise these rights within thirty (30) calendar days will result in losing of their right to bump. This bump system pertains only to those positions identified in Article 27, Section 3.

ARTICLE 29

The Union agrees that all of its members will comply with all Department policies, procedures, rules and regulations, including those relating to conduct and work performance as long as those policies, procedures, rules and regulations do not conflict with the provisions of this Agreement. City of Fort Wayne
One Main Street Rm 126
Fort Wayne IN 46802

Dear Council Member;

The City of Fort Wayne and Fire Fighter's Local 124 have reached an agreement on a contract for the year 1993. This contract stays within the construct of the 1993 budget therefore no additional appropriation will be required.

Each fire fighter will receive an increase in salary of \$828.06. This is a 3.11% increase for a first class fire fighter. Since this is a fixed raise, the raise is a 2.37% raise for a District chief and a 3.65% raise for a probationary fire fighter.

In addition for the year 1993, each fire fighter will receive an increase in their flex account of \$179.50. This money can be used for health related expenses. The funding source for this benefit comes from an annual insurance premium that is paid by the department into the insurance fund for disability insurance. Since fire fighters are covered by our pension plan for disabilities the premium is not used for the purpose of its original intent. Thus making the money available for this benefit.

The contract allows for the increase in member insurance co-payments from \$20.00 per month for all coverages to the City's variable cost of \$25, \$40, \$62 per month for the various coverages for the standard AETNA \$250 deductible or \$35, \$55, \$75 for the Open Choice Plan.

Sincerely,

Steven Hinton
